\* Elvis developer (customer with Elvis developer license) gets a better purchase price on this product. Elvis developers can ask for these prices by phone or mail.

\*\* Please find detailed information about our support service on our web side.

\*\*\* Old licensing model until May 2013: Client types not equal under licensing law, not all interfaces included.

Prices are specified as net and long price (gross). The gross prices include the following tax rates, applied according to statutory regulations: 19% on delivery of IT products within Germany

On specifying the turnover tax id no. You automatically enjoy the zero regulation according to §52 para. 2 UStDV (applies to Germany). Please note the remarks on our order forms.

All prices specified may be regarded as the price for a license or product.

On dispatch packaging and mailing costs incurred will be listed separately on the invoice. Prices are subject to change. Errors reserved.
