Licensing

In your order, please indicate:

1. the Computer ID (when using the recorder in the network: please generate the Machine-ID if there are no "temporary network adapters", e. g. no VPN, but only the ones that are always there!)
2. which license(s) you need:

   - only for recording (Recorder Run)
   - o only for processing (Recorder)
   - o for both

If you want Recorder Run and Recorder to run on different computers, please tell us on which computer you want to license which tool.

For more information about licensing, please refer to the KNX Recorder help.
